HERE'S MY STORY:

I am a software engineer with a focus on web development. I am hardworking, diligent, dedicated, and self-taught student, all the qualities that I present in everything I do.

WORK EXPERIENCE

Front-end developer

JANUARY 2019 - MARCH 2019

I collaborated in the improvement of the user interface using preprocessors for the styles and from time to time they also assigned me tasks with the business logic

Team leader

APRIL 2020 - JUNE 2020

I led a seedbed to train him with what he had learned about blockchain and provide my knowledge in javascript
